CONSTITUTION

ARTICLE I

PREAMBLE

We declare and establish this constitution to preserve and secure the principles of our faith and to govern the body in an orderly manner. This constitution will preserve the liberties of each individual church member and the freedom of action of this body in relation to other churches.

ARTICLE II

NAME

This body shall be known as the Cibolo Valley Baptist Church, 5500 FM 1103, Cibolo, Texas 78108.

ARTICLE III

OBJECTIVES

To be a church, composed of baptized believers who share a personal commitment to Jesus Christ as Savior and Lord, to be a redemptive body in Christ, through the power of the Holy Spirit, growing toward Christian maturity through worship, witness, education and ministry, proclaiming the gospel to the whole world, and applying Christian principles to man and society that God's purpose may be achieved.

ARTICLE IV

STATEMENT OF BASIC BELIEFS

We affirm the Holy Bible as the inspired word of God and the basis for our beliefs. This church subscribes to the doctrinal statement of the Baptist Faith and Message as adopted by the Southern Baptist Convention in 1963. We voluntarily band together as a body of baptized believers in Jesus Christ personally committed to sharing the good news of salvation to all mankind. The ordinances of the church are believer's baptism and the Lord's Supper.

ARTICLE V

CHURCH COVENANT

Having been led as we believe by the Spirit of God to receive by faith the Lord Jesus as our Lord and Savior, and on the profession of our faith, having been baptized in the name of the Father, and of the Son, and of the Holy Spirit, we do now in the presence of God and this assembly most solemnly and joyfully enter into covenant with one another as one body in Christ.

We will strive therefore, by the aid of the Holy Spirit to walk together in Christian love; to strive for the advancement of this church in knowledge, holiness and comfort; to promote its prosperity and spirituality; to sustain its worship, ordinances, doctrines and discipline; to contribute cheerful and regularly to the support of the ministry, the expenses of the church, and the relief of the poor, and the spread of the gospel through all nations.

We also strive to maintain family and private devotions; to religiously educate our children, to seek the salvation of our kindred and acquaintances; to work circumspectly in the world; to be just in our dealings, faithful in our engagements, and exemplary in our conduct; and to abstain from those habits which will degrade our Christian witness as taught by the Holy Scriptures; to be zealous in our efforts to advance the kingdom of our Savior. We will further strive to watch over one another in brotherly love; to remember one another in prayer; to aid one another in sickness and distress; to cultivate Christian sympathy in feeling and Christian courtesy in speech; to be slow to take offense, but always ready for reconciliation and mindful of the rules of our Savior to secure it without delay.

We moreover strive that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and the principles of God's Word.

ARTICLE VI

POLICY AND RELATIONSHIPS

The government of this church is vested in the body of believers who compose it. Persons duly received by the members shall constitute the membership.

All internal groups created and empowered by this church shall report to and be accountable only to this church, unless otherwise specified by church action.

This church is subject to the control of no other ecclesiastical body, but it recognizes and sustains the obligations of mutual counsel and cooperation, which are common among Baptist churches. Insofar as is practical, this church cooperates with and supports the San Antonio Baptist Association, the state General Baptist Convention of Texas, and the Southern Baptist Convention.

BYLAWS

ARTICLE I

CHURCH MEMBERSHIP

Section 1: General

This is a Theo-democratic Baptist church governed by the membership according to the sovereign will of God. The membership retains unto itself the exclusive right of self-government in all phases of the spiritual and everyday life of this church.

The membership reserves the exclusive right to determine who will be members of the church and the conditions of such membership.

Section 2: Candidacy

Any person may offer himself as a candidate for membership in this church. All such candidates will be presented to the church at a regular service for membership in any of the following ways:

- a. By profession of faith and baptism according to the policies of the church
- b. By promise of a letter of recommendation from another Baptist church of like faith and belief.
- c. Upon a statement of faith, Salvation experience and baptism by immersion.
- d. By restoration upon statement of prior conversion experience and baptism when no letter is obtainable.

Should there be any dissent as to any candidate presented, such dissent will be referred to the Deacon fellowship for discussion and recommendations to the church body. Following the report, a majority vote of those church members present and voting will be required to elect such candidates to membership.

Section 3: New Member Orientation

A new member orientation will be provided periodically and new members are encouraged to participate.

Section 4: Category of Members

- A. **Resident Members:** Are individuals in good standing who regularly attend services and practice their faith at Cibolo Valley Baptist Church (CVBC).
- B. **Nonresident Members:** Are individuals in good standing who are unable to attend services and practice their faith at CVBC (i.e. deployed military personnel, members in hospitals, rest homes or home bound). This category also includes members who have moved to areas beyond the ministry of this church who have not asked to be removed from the church rolls or have specifically asked to remain on the church rolls.
- C. **Inactive Members:** Are individuals who no longer attend services or practice their faith at CVBC. These members should be encouraged to unite with another church within one year. Persons not uniting with another church within one year, nor keep the church advised of their desires to remain a Resident Member, will be placed on an Inactive Membership Roll. Such members will not be counted in the reporting of the Church membership totals.

Section 5: Rights of Membership

- A. Every resident member, age 16 years old or older, of the church is entitled to vote at all elections and on all questions submitted to the church in conference, provided the member is present.
- B. Every member of the church is eligible for consideration by the membership as candidates for elective offices in the church, unless otherwise specified with these bylaws.
- C. Every member of the church may participate in the ordinances of the church as administered by the church.

- D. Every member will be encouraged to follow Malachi 3:6-18 and I Corinthians 16:1-4 in which their membership in the church involves a financial obligation to support the church and its causes with regular tithes and offerings.
- E. Every member is encouraged to participate in the outreach activities and programs of the church. (See Section 300 for programs)

Section 6: Termination of Membership

Membership will be terminated in the following ways:

- a. Physical death of the member.
- b. Transfer by letter to another Baptist church.
- c. Exclusion by action of a church vote according to section seven.
- d. Removal upon request of member or proof of membership in a church of another denomination.

Section 7: Discipline

When a serious condition exists which would cause a member to become a liability to the general welfare of the church, the pastor and the deacons will take every reasonable measure to resolve the problem in accord with Matthew 18:15-20. If it becomes necessary for the church to take action to exclude a member, a three-fourths vote of the members present is required; and the church may proceed to declare the person to be no longer in the membership of the church. The spirit of Christian kindness and forbearance will pervade all such proceedings.

The church will restore to membership any person previously excluded, upon request of the excluded person, and by three-fourths vote of the members present upon evidence of the excluded person's repentance and reformation.

ARTICLE II

CHURCH ORDINANCES

Section 1: Baptism

This church will receive for baptism any person who has received Jesus Christ as Savior by personal faith, who professes Him publicly at any worship service, and who indicates a commitment to follow Christ as Lord.

- A. Baptism will be by immersion in water; when practical.
- B. The pastor, or whomever the church shall authorize, will administer baptism.
- C. Baptism will be administered as an act of worship during any worship service of the church.
- D. The pastor and/or staff or deacons will counsel a person who professes Christ, and is not baptized after a reasonable length of time. If negative interest is ascertained on the part of the candidate, he will be deleted from those awaiting baptism.

Section 2: The Lord's Supper

The church will observe the Lord's Supper every quarter, unless otherwise scheduled by the church. The Pastor and Deacons will administer the Lord's Supper; this includes administering to those who physically are unable to attend services. The deacons will be responsible for the physical preparations.

- A. This church body practices open communion for all people who have accepted Christ as their Savior.

ARTICLE III

CHURCH MEETINGS

Section 1: Worship Services

The church will meet regularly each Sunday morning, Sunday evening and Wednesday evening for the worship of Almighty God. Prayer, praise, preaching, instruction and evangelism will be among the ingredients of these services. The pastor will direct the services for all the church members and for all others who may choose to attend.

Section 2: Special Services

Revival services and any other church meetings essential to the advancement of the church's objectives will be placed on the church calendar.

Section 3: Statement on Marriage and Sexuality (Added September 17, 2014)

We believe that the term "marriage" has only one meaning and that is marriage sanctioned by God which joins one man and one woman in single, exclusive union, as delineated in Scripture.

We believe that God intends sexual intimacy to only occur between a man and a woman who are married to each other. We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman.

We believe that any form of sexual immorality, such as adultery, fornication, homosexuality, bisexual conduct, bestiality, incest pornography or any attempt to change one's sex, or disagreement with one's biological sex is sinful and offensive to God.

We believe that in order to preserve the function and integrity of the church as the local Body of Christ, and to provide a biblical role model to the church members and the community, it is imperative that all persons employed by the church in any capacity, or who serve as volunteers, should abide by and agree to this Statement on Marriage and Sexuality and conduct themselves accordingly.

We believe that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ.

We believe that every person must be afforded compassion, love, kindness, respect, and dignity. Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with scripture nor the doctrines of the church.

Section 4: Regular Business Meetings (Amended April 29, 2015)

The church will hold regular business meetings every other month starting June 2015. The church council will meet prior to the business meeting.

Section 5: Special Business Meetings

The church may conduct called business meetings to consider matters of special nature and significance. A one-week notice must be given for the specially called business meeting. The notice will include subject, the date and time and place; and it must be given in such a manner that all resident members have opportunity to know of the meeting.

Section 6: Quorum

The quorum consists of those members who attend the business meeting, provided it is a stated meeting or one that has been properly called.

Section 7: Parliamentary Rules

Robert's Rules of Order Revised is the authority for parliamentary rules of procedure for all business meetings of the church.

ARTICLE IV (Amended March 13, 2013)

CHURCH OFFICERS AND COMMITTEES

All who serve, as officers of the church and those who serve on church committees will be members of this church.

Section 1: Church Officers

The officers of this church are the Pastor, the Music Director, the Youth Director, the deacons, a moderator, a clerk, a treasurer, trustees, and any other officers deemed necessary by the church.

- A. The Pastor** is responsible for leading the church to function as a New Testament church. The pastor will lead the congregation, the organizations and the church staff to perform their tasks in accordance with I Peter 5:1-3.

The Pastor is leader of pastoral ministries in the church. As such, he works with the deacons and the church staff to:

1. Lead the church in the achievement of its mission
2. Proclaim the gospel to believers and nonbelievers
3. Care for the church members and other persons in the community

The pastor will be chosen and is the only staff member called by the church whenever a vacancy occurs. The election will take place at a meeting called for that purpose, of which at least one-week public notice has been given.

A pastor selection committee will be elected by the church to seek out a suitable pastor, and its recommendations will constitute a nomination. Any church member has the privilege of making other nominations to the church according to the policy established by the church. The committee will bring to the consideration of the church only one name at a time. Election will be by secret ballot, an affirmative vote of three-fourths of those present being necessary for choice.

The pastor, thus elected, will preside at the meetings of this church, other than business meetings, and if so designated will serve as moderator in all business meetings in keeping with rules of order authorized in these by-laws.

The pastor may relinquish the office as pastor by giving at least two-week written notice to the church at the time of resignation.

When a serious condition exists which would cause the pastor to become a liability to the general welfare of the church, the Deacons will take every reasonable measure to resolve the problem in accord with Matthew 18:15-20 (See Section 7 Church Policy Manual). Except in instances of gross misconduct, the pastor will be given every opportunity for redemption, or refuting, what may be false accusation/s. The spirit of Christian kindness and forbearance will pervade all such proceedings.

The church may declare the office of pastor to be vacant. Such action will take place at a Special Business Meeting called for that purpose. A one week public notice must be given for Special meetings. The meeting will be called upon the recommendation of a majority of the Personnel Committee and the Deacons or by written petition signed by not less than one-fourth of the Resident Church Members. The members present at this meeting will designate the moderator by majority vote; he will be someone other than the pastor. The vote to declare the office vacant will be by secret ballot and affirmative vote of three-fourths of the members present being necessary to declare the office vacant. Except in instances of gross misconduct by the pastor so excluded from office, the church will compensate the pastor with not less than one-twelfth of this total annual compensation. The pastor will be given a two (2) week written notice of the termination except in instances of gross misconduct where the pastor will be immediately placed on administrative leave and the compensation will be rendered in not more than thirty days.

If the Deacons and Personnel Committee fail to reach a resolution regarding the office of the pastor; the very last resort will be a written petition. Petition signatures will be publicly solicited from the whole church body in the following manner:

- a. Formal Notice explaining the reason for the Petition will be posted on the church bulletin boards.

- b. The name of the person collecting signatures of Resident Members will be listed on the Petition.
- c. The signed Petition will be presented to the Church Clerk within thirty (30) days or as soon as the required number of signatures is obtained from the church body, whichever comes first.
- d. The Church Clerk will confirm the required number of signatures has been obtained and validate any questionable signatures.
- e. The signature validation will be accomplished by the Church Clerk speaking directly to the individual whose signature is being questioned.
- f. The Church Clerk will notify the Pastor, Deacons, and Personnel Committee when the Petition has been validated.
- g. A date will be set for the Special Business Meeting and the Church Clerk will send out the required one week notification to the church body.
- h. The completed Petition with the stated reason and names of the signers will be made public at Special Business Meeting and not before. **(Amended March 2013)**

B. The Church Staff

The church staff will consist of the Music Director, Youth Director, and Secretary.

1. **Employment** - The staff will be employed as the pastor determines the need for such offices and will serve under the supervision of the pastor. When the need for additional staff is determined, the position will be presented to the church for funding and approval. Upon approval, the pastor and personnel committee will pursue hiring with the pastor having the final approval.
2. **Resignation** - At the time of resignation at least two weeks written notice shall be given to the pastor.
3. **Termination** - Upon the pastor's recommendation to the deacons and personnel committee (after due diligence with the employee along with written documentation), the pastor will terminate the staff employee immediately in writing. The compensation conditions will be determined by the personnel committee and stewardship committee.

C. A Deacon - Deacon Election

When feasible, the church will have 15 families per deacon. The Deacons serve three years active, one year inactive, when there are enough Deacons to keep the Deacon to family ratio. When there is a need for more active Deacons, the Deacon Fellowship will

seek input from the church and Nominating Committee for potential Deacon selectees. The active Deacon Fellowship will be determined as follows:

1. A list of qualified men as determined by the Deacon Fellowship and described in Acts 6:3 and I Timothy 3:2-13, will be submitted to the church by the Deacon Fellowship, when the need arises (e.g. too many families per Deacon). Those who have been previously ordained and are currently qualified in keeping with accepted qualifications will be indicated by a single asterisk beside their name on the list. Their previous ordination by this church or a like faith and order will suffice. All men elected who have not been ordained previously and have been a member of this church for a minimum of six (6) months are eligible to be considered for ordination. Once the church has voted, the men selected by the church will be ordained in the first Sunday morning service available after the elections.
2. All Deacons will receive a period of training which incorporates updated information on the modern deacon from the association which the church is a member of or from updated published studies. The chairman of the Deacons will be responsible for insuring this training is accomplished.
3. In the case of previously ordained men, there will be no obligation to accept the position of an active deacon.
4. In accordance with the meaning of the work and practice in the New Testament, Deacons are to be servants of the church. Their task is to serve with the pastor and staff in performing the ministries tasks of:
 - a) Leading the church in achievement of its mission
 - b) Proclaiming the gospel to believers and unbelievers
 - c) Caring for the church's members and other persons in the community
 - d) Providing support in the other areas as noted in this document

D. Moderator – Moderator Election

The church may elect a moderator as its presiding officer. In the absence of the moderator, the chairman of the deacons shall preside; or in the absence of both, the clerk shall call the church to order and preside for the election of an acting moderator.

E. Clerk - Clerk Election (No term limit)

The church will elect annually a Clerk as its clerical officer. The clerk will be responsible for keeping a suitable record of all official actions of the church, except as otherwise herein provided. The clerk will be responsible for keeping a register of names of members, with dates of admission, demission, death, or erasure, together with a record of baptisms. The clerk will issue letters of demission voted by the church, preserve on file all communications and written official reports, and give required notice of all meetings where notice is necessary, as indicated in these bylaws. The clerk will be responsible for preparing the annual letter of the church to the association.

The church may delegate some of the clerical responsibilities to a Church secretary who will assist the elected clerk. All church records are church property and will be kept in the church office when an office is maintained.

F. Treasurer - Treasurer Election (No term limit)

The church will elect annually a church Treasurer and Assistant Treasurer. The Treasurer will serve as the church's financial officer. It will be the duty of the treasurer to receive, preserve and pay out, upon receipt of vouchers approved and signed by authorized personnel, all money or things of value paid or given to the church, keeping at all times itemized account of all receipts and disbursements.

It will be the duty of the treasurer to render to the church at each regular business meeting an itemized report of the receipts and disbursements of the preceding month. The treasurer's report and records will be audited quarterly by an auditing committee or public accountant. The treasurer will be bonded, the church paying the bond. Upon rendering the annual account at the end of each fiscal year and its acceptance and approval by the church, the records will be delivered by the treasurer to the church clerk, who will keep and preserve the account as a part of the permanent records of the church. The stewardship committee will be responsible for appointing the auditing committee members.

G. Trustees - Trustees Election

The nominating committee will nominate three or more church members to be elected to serve as legal officers for the church. They will hold in trust the church real property. Upon 75% vote of the church authorizing each action, they will have the power to buy, sell, mortgage, lease or transfer any church real property. When the signatures of trustees are required, they will sign legal documents involving the sale, mortgage, purchase or rental of property, or other legal documents related to church-approved matters. To serve as a Trustee the person must have been a member of Cibolo Valley Baptist Church for at least one (1) year and serve for three (3) years, with one trustee term expiring each year. If a replacement trustee is required they will serve for the remainder of the original term.

Section 2: Church Committees (Listed in Policy No. PM 301)

The committees of this church include a nominating committee, personnel committee, property and space committee, stewardship committee, and such other regular and special committees, as the church authorizes. All church committee members will be recommended by the church nominating committee and elected by the church unless otherwise specified within these bylaws. They will be elected by December and serve a one (1) year term (1 January through 31 December).

Serving and operating under Matthew 18:16, if there is a situation with a committee member there will be a discussion of the issue with the committee chairman and the individual. If the situation cannot be resolved then the chairman of the committee will call a meeting between the chairman, the individual, and the pastor.

ARTICLE V

CVBC CHILD PROTECTION POLICY

Why a Child Protection Policy?

We live in a world where evil exists. Part of this evil includes people who want to exploit and harm our children. We would like to think that our churches are safe and free from sexual predators. Unfortunately sexual predators will go to great lengths to harm our children, even in our churches. Child abuse is an issue that many people find hard to talk about. But here are some startling facts that dictate a strict policy for all teachers and leaders working with our young people:

- A child is molested every two minutes
- Thirty three percent of girls and 20 percent of boys will be abuse by the age of 18.
- Ninety five percent of sexual abuse victims know their abuser.
- There are an estimated 60 million survivors of sexual abuse in the U.S.—20 percent of the population.
- The typical child sex offender molests an average of 117 children—most of the children do not report the offense.
- Sixty percent of convicted sex offenders are on parole or probation.

CVBC Child Protection policy exists for 3 reasons;

- Protection of children; this must be first and foremost.
- Protection of leaders and teachers; an unwarranted accusation could result in legal action and significant embarrassment, humiliation, and stress.
- Protection of the Church; any accusation, warranted or not, could result in legal action

Any known or suspected child abuse must be reported immediately to the Pastor or church official.

What is Child Abuse?

Child abuse is generally broken down into three categories: physical, emotional, and sexual. By law, child abuse must be reported to police or child protective services. In order to be more effective in this responsibility, all volunteers who work with children must be know what abuse is and what indicators (signs) to look for.

Definitions of Abuse

Physical Abuse occurs when someone harms a child's body, resulting in scrapes, bruises, welts, broken bones or other physical injuries.

Emotional Abuse occurs when someone harms a child using critical words, threats or demeaning terminology. Neglect, such as abandonment, is also included in this category.

Sexual Abuse occurs when someone violates a child's sexual privacy in any way.

Signs and Indicators of Child Abuse

The following signs may be indicators of abuse:

- Shifts in personality – sudden or abrupt
- Regression to earlier behaviors
- Bodily complaints related to stress
- Unexplained welts, bruises or burns
- Sleeping problems or nightmares
- Overly aggressive or withdrawn behavior
- Depression
- Inappropriate sexual behavior with peers or use of sexually-explicit language
- Reluctance to be alone with someone or clinginess to others
- Irritation, pain or injury to the genital area
- Running away
- Substance abuse or eating disorders
- Suicidal gestures or self-mutilation
- Family history of violence

All child and youth program volunteers will conform to the following:

- Read, understand, and sign the Children Protection Policy:
- Submit to a background check.
- Be active members of CVBC for a minimum of six months before working with children. (This requirement may be waived by the Pastor on a case by case basis after a thorough background check)
- One-on-one interaction between a child and adult of opposite sex is strictly forbidden.
- Two adults must be present during interaction with children. Whenever possible or feasible the two adults should not be married to each other.
- One adult may be present with two or more children during classroom instruction within the line of sight of another adult.
- When transporting children in the church van, two adults will be present and whenever possible one male and one female (not married to each other).
- Report any suspicion of child abuse to the Pastor or church official.

Acknowledgement of receipt of CVBC Child Protection Policy

Statement

I have been given a copy of the Child Protection Policy. I have read and understand this policy and I understand that my service as a volunteer with children at Cibolo Valley Baptist Church is dependent on my strict adherence to these policies.

ARTICLES OF FAITH

First: We believe that men divinely inspired wrote the Scripture of the Old and New Testament and that they are the only infallible rule of Faith and Practice

Second: That there is only one true and living God, revealed to us as the Father, Son and the Holy Spirit, the same in essence and equal in every divine perfection.

Third: That man was created holy, innocent and happy, but by the disobedience of one, man sin entered into the world, and death by sin, so death passed upon all men for that all have sinned.

Fourth: That the only way of salvation is by grace through faith in the atonement and righteousness of Jesus Christ.

Fifth: That it is the duty of all men to believe on the Lord Jesus Christ as personal Savior.

Sixth: That nothing can separate true believers from the love of God, but that they will be kept by His power through faith unto salvation.

Seventh: That Christian Baptism is administered only by immersion of believers in water in the name of the Father, the Son and the Holy Spirit, and that Baptized believers are entitled to partake of the Lord's Supper, after examining their heart.

Eighth: That there will be a general resurrection of the dead, and a general judgment when all mankind will be judged according to their deeds, that the wicked shall go away into everlasting punishment, but the righteous into life eternal.

Ninth: That the Christian ministry is a divinely appointed means for the spread of the Gospel throughout the world, and that it is the duty of all Christians according to ability to contribute to its support.

MISSION STATEMENT OF THE CIBOLO VALLEY BAPTIST CHURCH

The provisions here in contained will be provided for the annual two (2) week period only. The Personnel Committee will determine any provisions after the two (2) weeks.

Sick leave credit cannot be used for any other purpose than specified in the plan, and is not payable in cash or in any other form should the employee leave the church.

Subject: Cibolo Valley Harvest Project

Purpose: A Home Repair Ministry of Cibolo Valley Baptist Church

In this ministry we strive to act as Jesus Christ directed in Matt 22: 37-39; ...39 And the second is like it: 'Love your neighbor as yourself.'..." By supporting the needy, poor, and elderly, we strive to have Christ's love shine through us by our words and our actions. We will accomplish this by providing a variety of home services and repairs as lead by the Holy Spirit. In faith, we rely on God to provide the resources and expertise so that all we do will be for His glory and based on His will.

The purpose of the church home repair team is to serve hurting people in the community, and to demonstrate the love of Jesus Christ to them by first addressing a home maintenance or repair need.

Homeowners know that there never seems to be enough time for all of the home repairs and maintenance a house requires. For most of us, this is not a problem. For many widows, single moms, elderly, sick, or handicapped people, this is an impossible job due to lack of funds, skills, or knowledge. The CVBC home repair ministry exists to meet this need.

Criteria for project selection:

1. Is God leading us to do this project?
2. Are we capable of doing the project well?
3. Are we serving a brother/sister in need or are we able to witness for Jesus Christ?
4. Are we shining God's light in a dark place?

If interested in receiving help, individuals must complete an application and sign a Release and Waiver of Liability.

The Brotherhood Director will lead the Harvest Project ministry unless otherwise decided by the Church.

All projects should be approved by Harvest Project leadership prior to being accepted or funds expended.

PURPOSE: To minister in obedience to our Lord as instructed in Matthew 25:35-36, "For I was hungry and you gave me meat; I was thirsty and you gave me drink; I was a stranger and you took me in; naked and you clothed me; I was sick and you visited me; I was in prison and you came to me." Proverbs 19:17, "He that hath pity upon the poor lendeth unto the Lord; and that which he hath given will he pay him again." James 1:22, "Be ye doers of the Word and not hearers only, deceiving your own selves." These are familiar passages that lay the foundation for us to be ready to help those in need.

FOOD: To establish and maintain a food pantry of staple food items and personal items (soap, toothpaste, washing powder, etc.) that can be given as needed to those who have an identified need.

RESPONSIBILITY: The WMU and Brotherhood will be responsible for the establishing, maintaining and as necessary the procurement of items to keep the pantry adequately stocked. The dispensing of the food will be done primarily by the church staff (Pastor, secretary, etc.), for those who come to the church seeking help. The WMU/Brotherhood will help in delivering items as necessary, especially during the Thanksgiving and Christmas seasons.

PROMOTING AND ADVERTISING: Place notices in the church bulletin asking for necessary items. Also, make announcements during Sunday school, midweek prayer time or other times as appropriate. Poster can be used and collection boxes can be placed for food/sundry items.

WHO DO WE HELP? Anyone in need - from our membership or nonmembers who attend and those in our nearby community who ask for help.

WHEN DO WE HELP? When someone asks for help we should be ready and willing to do what we can regardless of who they are. A possible exception is when we are made aware of someone who is a "professional hustler" and who could be using the items for personal profit. These people should be referred to the appropriate agency as necessary. Otherwise, we should always trust the Lord for the opportunity to be a servant.

CONFIDENTIALITY: Just a reminder: Assisting a family or an individual should remain in confidence. We do not want to embarrass anyone by telling others in the church or community those who are being helped. If those we help, express they're thanks to the church that is perfectly acceptable. Otherwise, we must use good judgment in helping others and always try to do the best we can do to meet their needs.
